THOR IS BORN

At THOR Kitchen, we believe that greatness lies within each of us – waiting to be unleashed, waiting to ignite. That's why we're not just in the business of making appliances – we're in the business of igniting culinary creativity. Imagine stepping into your kitchen and feeling a surge of inspiration, a spark of creativity. Our innovative appliances are more than just tools – they're catalysts for self-expression, gateways to new possibilities, and vessels for your imagination. From our sleek range that turns cooking into an art form, to our versatile fridge that keeps your ingredients fresh and your dreams alive, every appliance is designed to empower you to be the best version of yourself. So go ahead, ignite your culinary creativity, and turn everyday meals into gourmet experiences with THOR Kitchen.

GAS RANGES

THOR Kitchen Gas Ranges are stainless steel machines that are designed with professional features and functionality. With powerful burners, continuous grates and a commercial convection fan, these ranges take everything from prime rib to snicker doodles to the next level. Oh, and did we mention the 15,000 BTU griddle?

ELECTRIC + INDUCTION COOKTOPS

THOR Kitchen's Professional Electric Cooktops offer powerful, precise heat at the touch of a button to slowly simmer sauces or quickly boil large pots of water. Our Induction Cooktops technology combines the temperature responsiveness of a gas cooktop with the fast performance of an electric cooktop. Also, depending on your needs, induction is inherently more energy-efficient and features faster heat-up times. The sleek design complements any kitchen and perfectly balances style, convenience, and power.

COOLING

YOUR FRENCH VANILLA DOWN BELOW SHOULD NEVER SMELL LIKE YOUR FRESH SALMON UP ABOVE.

REFRIGERATION

Let's keep everything as cool, crisp, cold and/or frozen as the recipes call for, shall we? Answering the call is our freestanding refrigerators. Inside where the magic happens, you'll find two freezer drawers, a full-width chiller drawer and a Triple or Twin Cooling system that separates the refrigerator and freezer zones. Moisture, odor transfer and freezer burn, gone. Compliments on meals, way, way up.

LIVE CLEAN.

DISHWASHERS

Whether you're entertaining for one or hosting a full-blown dinner party, things generally get a little messy. And that's where a THOR Kitchen dishwasher is a thing of beauty. You'll find useful features like a multiple filtration system for optimal performance using less water and energy. And a Smart Wash System that actually determines the cycle to use depending on the soil level of the load. It's a well-crafted machine that never met a meal it didn't love.
